## STATE OF NEW HAMPSHIRE

---

### TOWN OF MOULTONBORO

### TOWN WARRANT

---

To the inhabitants of the Town of Moultonboro, in the County of Carroll, in said State, qualified to vote in Town affairs.

You are hereby notified to meet at the Town House in said Moultonboro, on Tuesday the 11th day of March 1947, at ten of the clock in the forenoon to act upon the following subjects:

1. To choose by ballot and major vote, a Treasurer, Clerk, Tax Collector, one or more not exceeding three Highway Agents, three Auditors, one Selectman for three years, Two Library Trustees for three years, one Trustee of the Trust Funds for three years and such other officers and agents as the voters may deem necessary.

2. To raise and appropriate such sums of money as may be necessary to repair Highways and Bridges in said Town.

3. To see what action the Town will take in regard to increasing the wage rate for town employees.

4. To see if the Town will vote to raise and appropriate the sum of \$662.37 for Town Road Aid.

5. To see if the Town will vote to raise and appropriate the sum of \$400.00 for the maintenance of the Fire Department.

6. To see if the Town will vote to raise and appropriate the sum of \$200.00 as the Town's share of the cost of fighting Forest Fires.

## TOWN OF MOULTONBORO

---

7. To see if the Town will vote to raise and appropriate the sum of \$3,000.00 for State Aid Construction.
8. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.
9. To see if the Town will vote to allow a discount on taxes paid in full before August 15, 1947.
10. To see if the Town will vote to raise and appropriate the sum of \$1,500.00 for the maintenance of the Public Library.
11. To see what action the Town will take in regard to re-roofing the Public Library and vote to raise and appropriate money for same.
12. To see if the Town will vote to raise and appropriate the sum of \$500.00 for the Support of the Poor.
13. To see what sums of money the Town will vote to raise and appropriate for the Laconia and Huggins Hospitals.
14. To see if the Town will vote to raise and appropriate the sum of \$100.00 for the Observance of Memorial Day.
15. To see what action the Town will take relative to establishing a fund for the proper upkeep of the World War II Memorial Plot, and appropriating money for same.
16. To see what action the Town will take relative to the compiling of a permanent record of all those who served from town in World War II.
17. To see if the Town will vote to install a street light at Howard Shaw's Corner.
18. To see if the Town will vote to install two street lights between Chamberlain's and Edgar Brown's.

## TOWN OF MOULTONBORO

---

19. To see if the Town will vote to raise and appropriate the sum of \$200.00 to help support the Center Harbor Band and to provide for more band concerts during the summer season.

20. To see if the Town will vote to raise and appropriate the sum of \$206.00, which is  $\frac{1}{100}$  of 1% of the assessed valuation of the town, to the Lakes Region Association for the purpose of publicizing and promoting the natural advantages and resources of the town, in cooperation with other towns in the Lakes Region.

21. To see if the Town will authorize the Selectmen to secure the assistance of the State Tax Commission in reappraising the taxable property in Town in order to secure greater equality as between taxpayers, and to insure the assessment of all property in the town on the same standard of value, and to raise and appropriate money to pay for same. (Requested by State Tax Commission.)

22. To see if the Town will vote to petition the State Tax Commission to have an audit made by the Division of Municipal Accounting, and to make an appropriation to cover the expense of such audit. (Requested by State Tax Commission.)

23. To see what action the Town will take in regard to Selectmen's salaries.

24. To see what sum of money the Town will vote to raise and appropriate for the improvement of the road along the Ben Ayers shore.

25. To see what sum of money the Town will vote to raise and appropriate for the Inn Road, so-called, leading to the International Council of Religious Education.

26. To see what action the Town will take with reference to the construction of a water hole for purposes of fire protection on the property of the Bald Peak Land Company. (By request.)

## TOWN OF MOULTONBORO

---

27. To see what action the Town will take with reference to laying out and constructing a highway approximately one thousand feet in length on the property of the Bald Peak Land Company, beginning at the highway as now laid out leading to Clark's Landing, so-called. (By request.)

28. To see if the Town will vote to raise and appropriate the sum of \$1,500.00 for draining and grading highway, standard width, from Greene's gate to the Public Wharf Road on Long Island, a distance of 2200 feet and to be contracted by Harry E. Brown. (By request.)

29. To see if the Town will vote to raise and appropriate a sum to install two lights at Long Island Bridge and two lights on the Public Wharf on Long Island and take electric current from the White Mountain Power Company.

30. To see if the Town will vote to raise and appropriate the sum of \$200.00 for the Control of White Pine Blister Rust.

31. To see what sum of money the Town will vote to raise and appropriate for a town map and record project.

32. To transact any other business that may legally come before said meeting.

Given under our hands and seal this 24th day of February, A. D. 1947.

## **AUDITORS' REPORT**

---

We, the undersigned, Auditors of the Town of Moultonboro, certify that we have examined the foregoing accounts of Moultonboro for the year ending December 31, 1946 and find them correctly cast and properly vouched.

**ROGER C. LARSON  
JAMES N. SOLOMON**

**Auditors**

## TOWN OF MOULTONBORO

---

### LIBRARY REPORT

---

The Moultonboro Library has been open to the public, (both year-round residents and summer guests) on the same schedule as in preceding years. The Wednesday hours are from 3 to 5 in the afternoon and from 7 to 8 in the evening. On Saturdays the library is open from 2 to 4 and again in the evening from 7 to 8.

The readers who patronize the library may be divided into several groups. Those who specialize in reading non-fiction; those who prefer westerns; those who read mystery stories; those who read light fiction and those who read the heavy fiction and the children who read the juvenile books. This makes it necessary to buy many different types of books. Last year 162 new books were added to the library in the course of the year. As can be seen this is less than thirty new books a year or less than a new book a week for many readers.

The librarian has cooperated with state and federal institutions by making reports to the State Library in Concord and to the Department of Education in Washington.

Books are loaned to the schools in town. Also Laconia, Meredith, and Quimby High School students borrow material to aid them in their studies.

Books were presented by several interested persons, among them Marion Goodwin, Hazel Berry and Elizabeth Burbeck. These books were greatly appreciated.

The Librarian attended the Library Institute in Concord for one week and also went on the Bookmobile in Grafton County as a helper for one week, both of which proved to be interesting and instructive.

The State Library is always ready to give assistance to local libraries. This places many books otherwise

## TOWN OF MOULTONBORO

---

unobtainable in the local library within the reach of the local librarian. A request for books on special subjects or of limited interest can many times be easily obtained at the State Library by speaking to the local librarian about these needs. It is hoped that during the year 1947, more books than ever may be purchased for the library and that more townspeople will take advantage of the excellent facilities which are provided for them.

The comparative circulation for 1945 and 1946 is as follows:

	1945	1946
Adult Fiction	1232	1647

### HELP YOUR FOREST FIRE WARDEN

### PREVENT FOREST FIRES — IT PAYS !

---

Prevention is one of the most important phases of all fire effort. This is particularly true of forest fire control work. Preventing forest fires preserves valuable forest growth and other property, conserves man power and permits their use in productive channels, saves taxpayers' money and conserves fire fighting equipment.

The prevention of forest fires is the most important and difficult part of the work of your forest fire warden who heads a local organization set up primarily for the security of your community's forest property. Appointed by the State Forester, upon recommendation of the Selectmen, he is charged by law with the responsibility of local administration of forest fire laws, fire prevention and suppression. In his work he is aided by deputy forest fire wardens who, in emergency, may assume his power and authority. The warden is guided in his work by instructions received from the State Forester and by the District Fire Chief who represents the State Forester.

The importance and value of the work of the forest fire warden and his deputies is, perhaps, best appreciated during hazardous periods when fire danger is greatest. The public, however, looks to him at all times for speedy and economical suppression of going fires.

To properly fulfill his mission, the warden needs the generous and understanding cooperation of the public at large. He attempts to secure this cooperation by the posting of caution notices, news items and by word of mouth, always carefully explaining the necessity of restrictions imposed. In the matter of giving cooperation, however, the public often fails. The record shows that an average of 7,300 acres of woodland are burned

## TOWN OF MOULTONBORO

---

over by forest fires in New Hampshire each year. Analysis of fire causes reveal the fact that more than 98 per cent of all forest fires are, consistently, the result of human carelessness and are preventable.

The careless smoker fails to properly extinguish his cigar, cigarette or pipe ashes or thoughtlessly throws them from the car window; the debris burner fails or refuses to consult the warden, as the law requires when the ground is not covered with snow, before attempting to burn; campers fail to properly extinguish their fires or frequently build fires when conditions are unfavorable.

The elimination of human causes from the forest fire problem is the answer. This is not as difficult of accomplishment as it might appear at first glance. Let each one who reads this —

1. Use ordinary common sense with fire in and near woodland.

2. Comply with requirements on the use of fire in and near woodland and when the ground is not covered with snow, secure written permission to burn from the forest fire warden.

3. Be careful when smoking in or near woodlands. Don't throw lighted material from moving vehicles.

4. Cooperate with and assist the warden and urge others to do so.

5. **HELP YOUR FOREST FIRE WARDEN PREVENT FIRES** — his efforts are only as effective as is the cooperation you give him!

### **1946 Fire Record:**

Number of fires: 3

Acreage burned: 1

Number fire permits issued: 45

### THE STATE OF NEW HAMPSHIRE

### SCHOOL WARRANT

---

To the Inhabitants of the School district in the town of Moultonboro qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the eleventh day of March, 1947, at 2:00 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

## TOWN OF MOULTONBORO

---

8. To see if the district will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the district, as determined by the school board in its annual report.

9 To see if the District will approve of the inclusion of its employees, other than teachers, in the Employees Retirement System of the State of New Hampshire, as approved by Chapter 201 of the Laws of 1945.

10. To see if the district will vote to remove the present limit on transportation to High School and leave the rates to the discretion of the School Board.

11. To transact any other business that may legally come before the meeting.

Given under our hands at said Moultonboro this 10th day of February 1947.

### REPORT OF SCHOOL NURSE

---

During the past school year, 74 visits to schools were made, and 72 pupils inspected. Pupils were weighed and measured twice during the year. Tests of vision, with the telebinocular, and of hearing, with the audiometer, were made. Individual inspections were made whenever it seemed necessary.

Dr. Turley made the physical examinations, and the following results were reported:

Defective teeth	13
Defective tonsils	1
Defective speech	2
Defective vision	1

Two pupils have had tonsillectomies done; one has had vision corrected with glasses.

A Toxoid clinic was held in March for the children of the first five grades and for pre-school children. This clinic was sponsored by the State Board of Health. Dr. Turley was the physician in attendance, assisted by Mrs. Joanne Carter of the State Board, and by the school nurse.

A first-aid kit has been provided for each school, financed by a special fund. These are an improvement over kits previously in use.

The Red Cross was willing to assist in furnishing milk for the schools, but we were not able to procure it last year. This year, however, in connection with the school lunch program recently instituted, milk is being furnished.

I wish to express my appreciation to all who assisted in carrying out the health program.

Respectfully submitted,

Eva A. Heney, R. N.

## TOWN OF MOULTONBORO

---

### REPORT OF SUPERINTENDENT OF SCHOOLS

---

#### Teachers:

The outstanding problem, in maintaining schools in New Hampshire today, is that of securing suitable teachers. Moultonboro is fortunate this year that teachers here have been willing to remain in their positions instead of seeking more lucrative ones elsewhere. The fact, however, that less than fifty teachers at Keene and Plymouth Teachers' Colleges are graduating this year with training for elementary school teaching, and that several hundred elementary vacancies will occur in the state, is bound to make its influence felt. Somewhere, some schools are going to be without teachers; and everywhere the salary trends are sharply upward, resulting in budget increases.

#### Enrollment and Transportation:

Our present plan is to maintain two buildings—one at Greene's Corner, with grades 1-6, and a two-room school at Moultonboro Corner with the primary grades (1-4) in one room and grades 5-8 in the other. This provides for all 7th and 8th grade pupils in the district to be together in one class.

Such a plan requires transportation from three areas of the district. One route carries pupils from the Ambrose district and families farther down the Tuftonboro road, to Moultonboro Corner. Mrs. Ellen Ward cares for this section, using a five-passenger sedan and making three trips both morning and night. The second route, contracted by Harold Tilton, brings pupils to the same school from the Moultonboro Falls section. A third route covers the Moultonboro Neck road, with Mrs. Charlotte Ames as driver, who uses a five-passenger sedan, making two trips down the Neck Road and then carrying junior high pupils on to Moultonboro Corner.

## TOWN OF MOULTONBORO

---

In addition to these three transportation routes, Fred Edwards has a contract to run a small bus on the Bean Road, carrying elementary pupils to the Center Harbor School.

Transportation for high school pupils, for which the district has voted to pay not more than \$1.50 per week per pupil, is cared for by Fred Edwards, who drives a 40-passenger bus to Meredith, and by Millet Perkins, who takes four pupils to Quimby School.

Two suggestions occur to me as worth consideration regarding transportation. First, I believe the restriction of \$1.50 per pupil per week for high school transportation should be removed, as it has proved very difficult to provide transportation for that sum when only a few pupils are carried, as at present in the case of the Quimby School route. Second, it seems to me that the district should own an adequate bus to take care of one of its longer routes—a vehicle of sufficient capacity to carry 15 or 20 children—and so avoid the necessity of making two or three trips both morning and night. District ownership of busses, in several towns, has proved to be the most economical means of transportation.

### Changes in State Administration

The new commissioner of education, Edgar Fuller, is making changes in the organization and policy of the State Department which are of significance to all. Of these changes, two are briefly mentioned here.

In his policy of expanding the services offered by State Department personnel, Mr. Fuller has brought to us Gertrude Lewis, who is an expert in methods of teaching reading and other elementary subjects. Miss Lewis conducted in October an institute for rural teachers at Meredith Center. Then while working in this area in December, she visited various schools in the union where teachers requested help, and also conducted a meeting of the teachers to help with their diffi-

## TOWN OF MOULTONBORO

---

culties and to offer suggestions for improving their work.

The policy of the State Department also proposes that a greater share of school costs be borne by the State; and in order to put this into effect, a law is under consideration (House Bill No. 12) which should help to prevent excessive increases of local tax rates in future years. If this bill becomes a law, funds from the State treasury will be available to all districts, the amount varying with size of schools and with local needs.

### School Marks and Promotions

Report cards are looked upon by most parents as a true indication of the success or failure of their children in school; but this is not always the case. When John and Mary got A and B on their cards last year, and the new teacher this year marks them C and D, the parents naturally suppose the children are not learning as well and often blame the teacher. The difference may be that the new teacher demands more, setting higher standards for her class, and really teaching just as thoroughly as the former teacher has done. Teachers are not encouraged to give high marks except for really superior work.

Promotion to the next grade should depend upon various factors: not only marks in class, but mental maturity, ability to understand the next year's work, reading skill, etc. In deciding what grade a pupil should enter next September, the question we try to answer is, "Where will this child learn most, and progress best, next year?" If the work of the next grade will seem like a mountain to him, so that he will give up trying, perhaps he needs review. Each case has to be decided on the basis of the best good of the pupil con-

## TOWN OF MOULTONBORO
